### JOIN PTO

Lansdowne's PTO does an amazing job of supporting our students, their families, and teachers.

Look for information to be going home with your child or go to [www.lansdownepto.weebly.com](http://www.lansdownepto.weebly.com) to learn more!

We are a Bucket Filling school. We know that when we do something nice for someone else, we fill their bucket *and* our own bucket. But, when say or do mean things, we dip into buckets. Talk to your child about how they can be Bucket Fillers at school and at home!

### Can you hear me now?!

All second grade classrooms will have the opportunity to work on an iPad at least once a week. There are so many great resources to be utilized. Please send in a pair of ear buds with your child to wear while using the iPads. These can be purchased at the Dollar Store.

### WELCOME!

While we are sad that Mrs. Miller is not teaching with us this year, we want to give a great big Lansdowne welcome to Mrs. Friedman! We're so excited to have her join our 2<sup>nd</sup> grade family!

**BUCKET FILLING IS:
